9. Nel tuo Centro, di norma, chi segue i pazienti affetti da SAA ?

● Indifferentemente da tutti gli specialisti di Ematologia

L'importanza dell'EXPERTISE

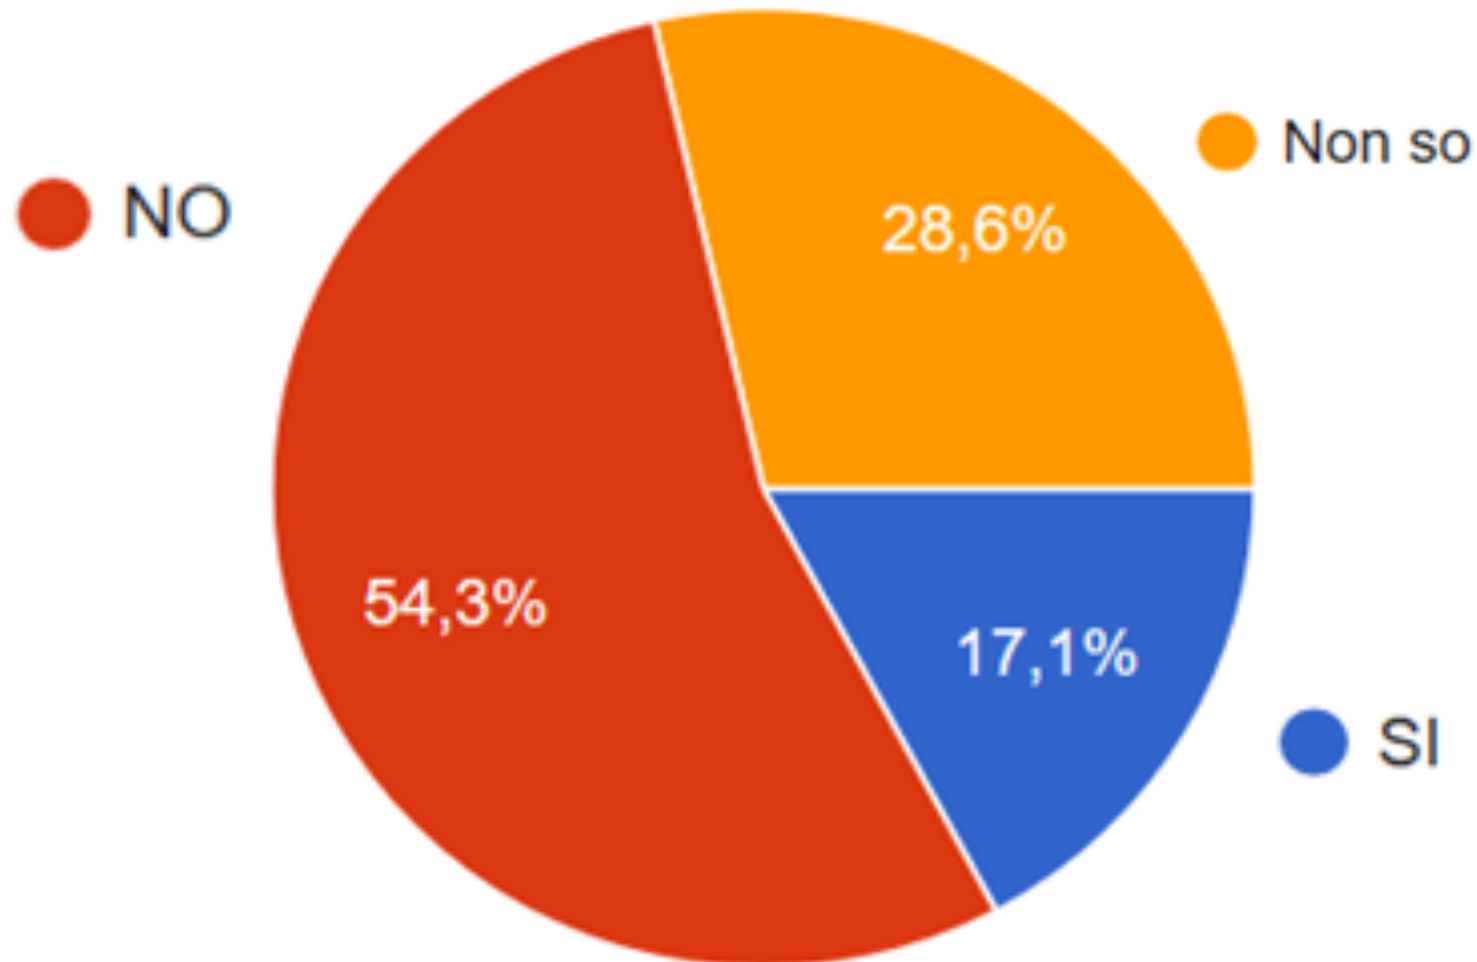

● Da uno specialista Ematologo TRAPIANTOLOGO

● Medico dedicato alle AA (si occupa solo o prevalentemente di SAA)

● Medico di Riferimento (segue anche pz. con SAA)

10. Nel tuo Centro esistono percorsi specifici (Clinical Pathways o Piani Diagnostici Terapeutici e Assistenziali) per i pazienti affetti da Anemia Aplastica in genere o SAA?

Disponibilità di PDTA

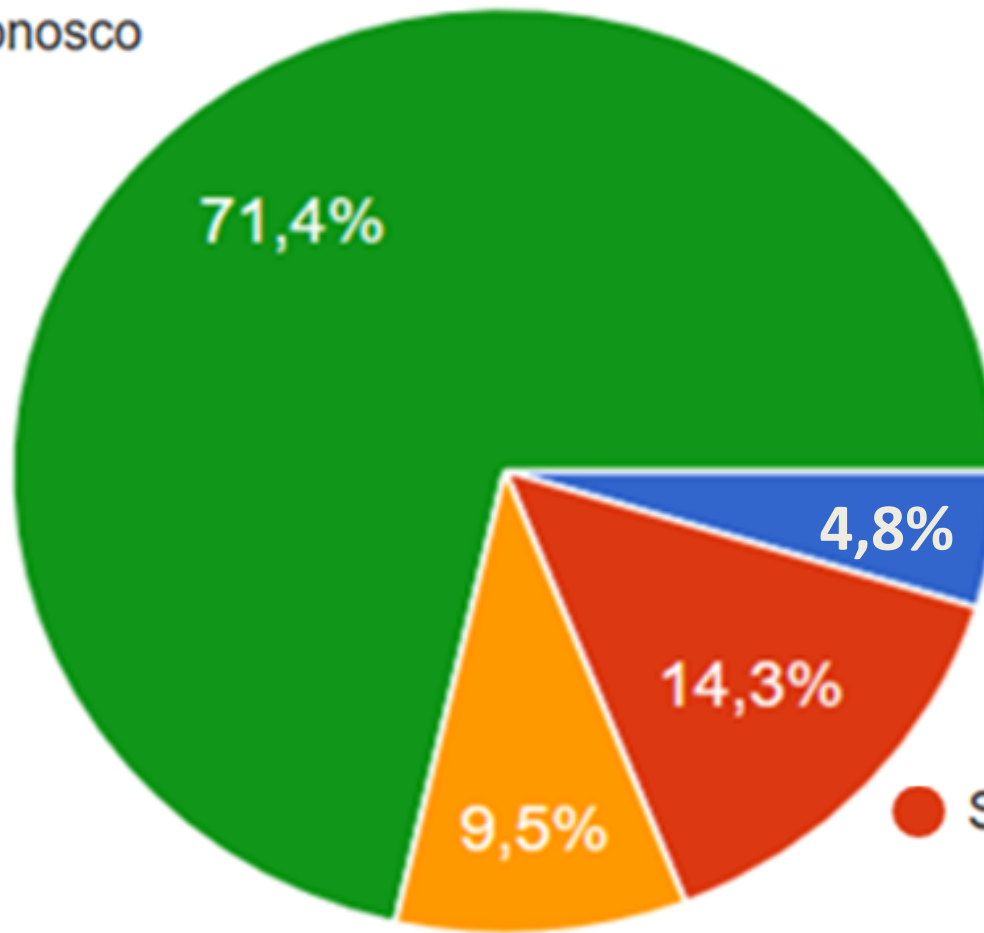

11. Se hai risposto SI alla domanda precedente, in qualità di infermiere, conosci questi Clinical Pathways?

(21 risposte)

Conoscenza PDTA

● No, non li conosco

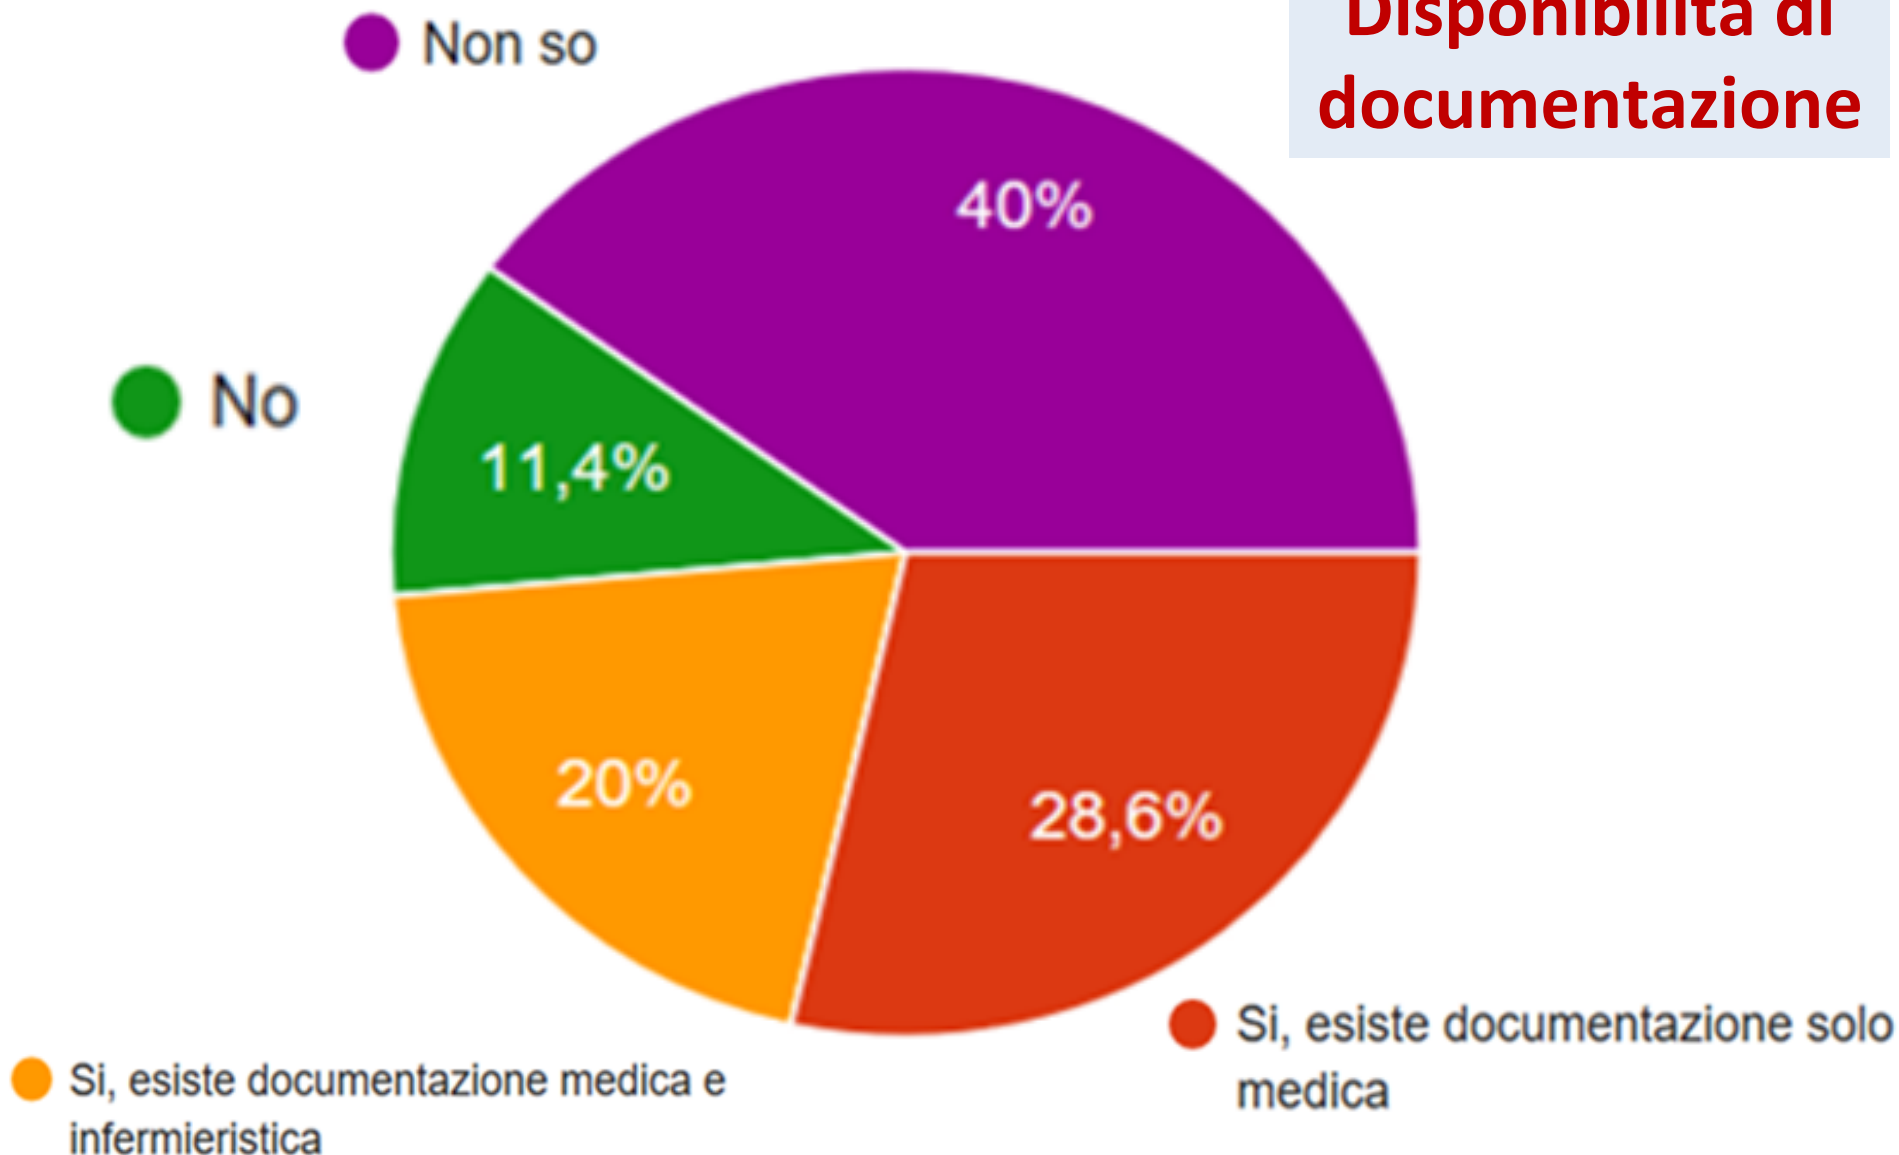

● Si, nel dettaglio

● Si, solo in parte

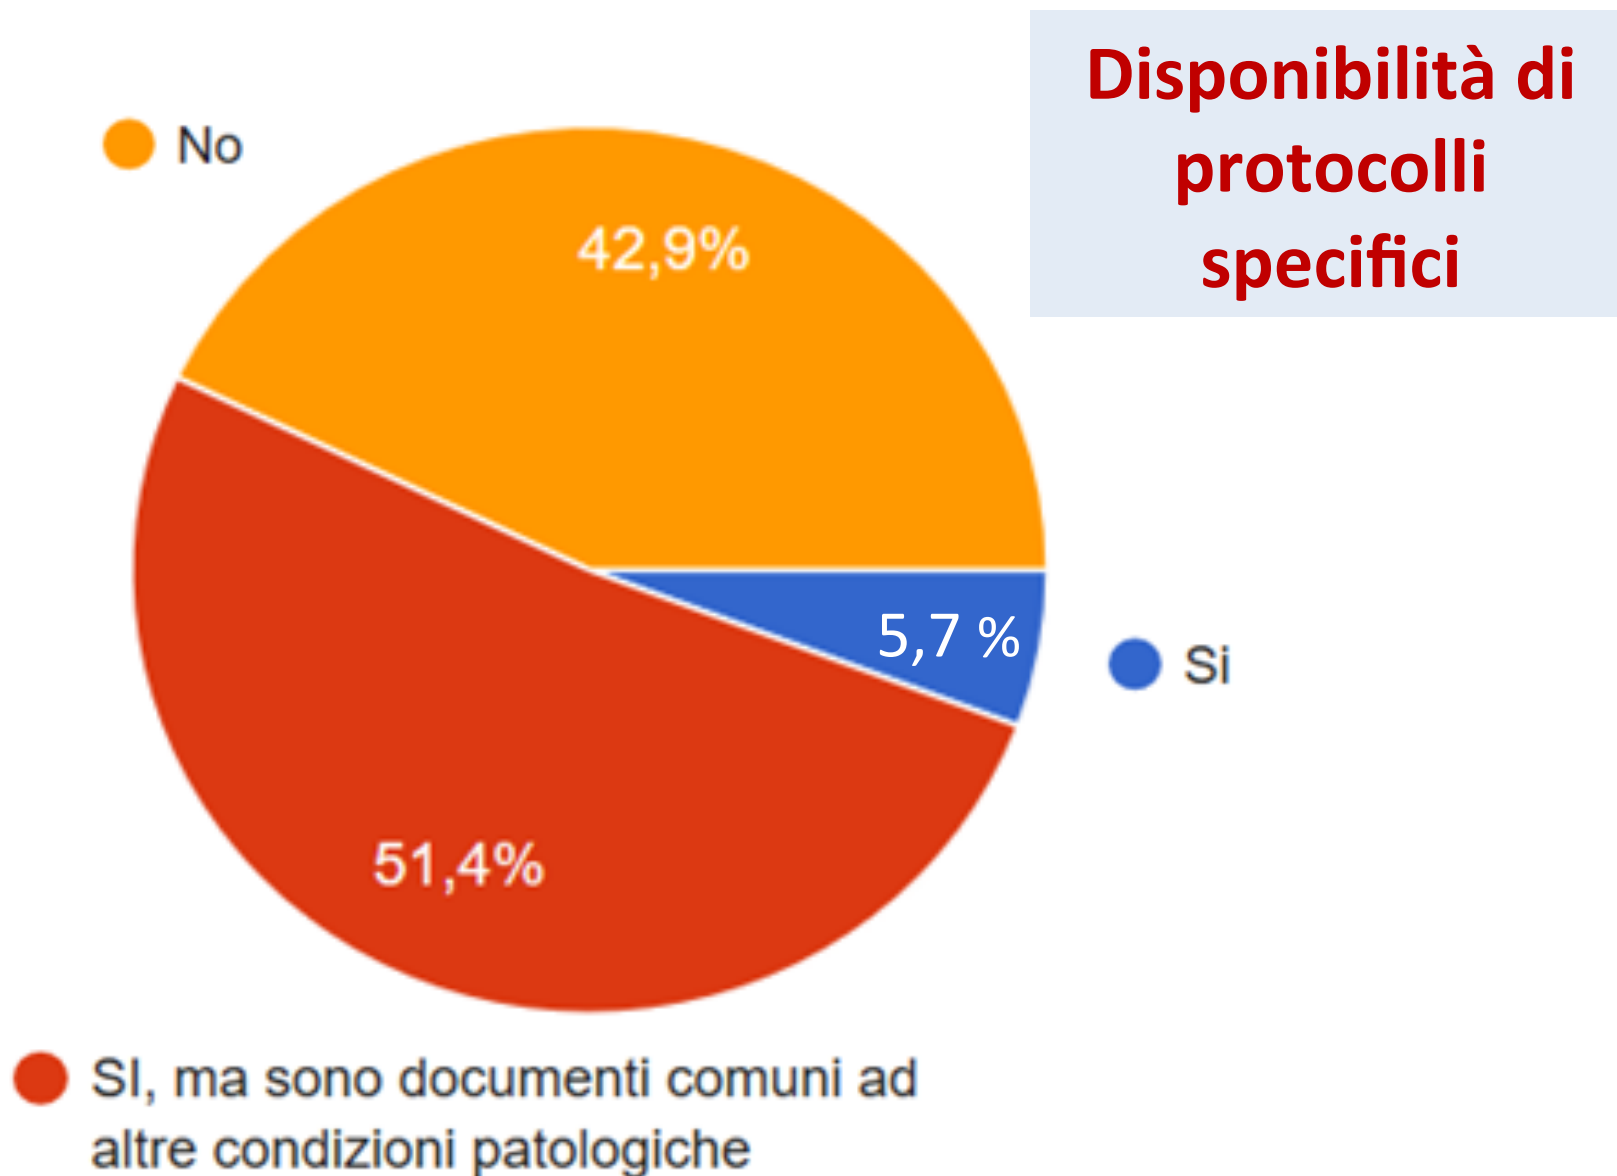

● Poco

12. Anche se non strutturati in "Clinical Pathway", nel tuo Centro esistono protocolli, linee guida, procedure dedicata ai pazienti con SAA ?

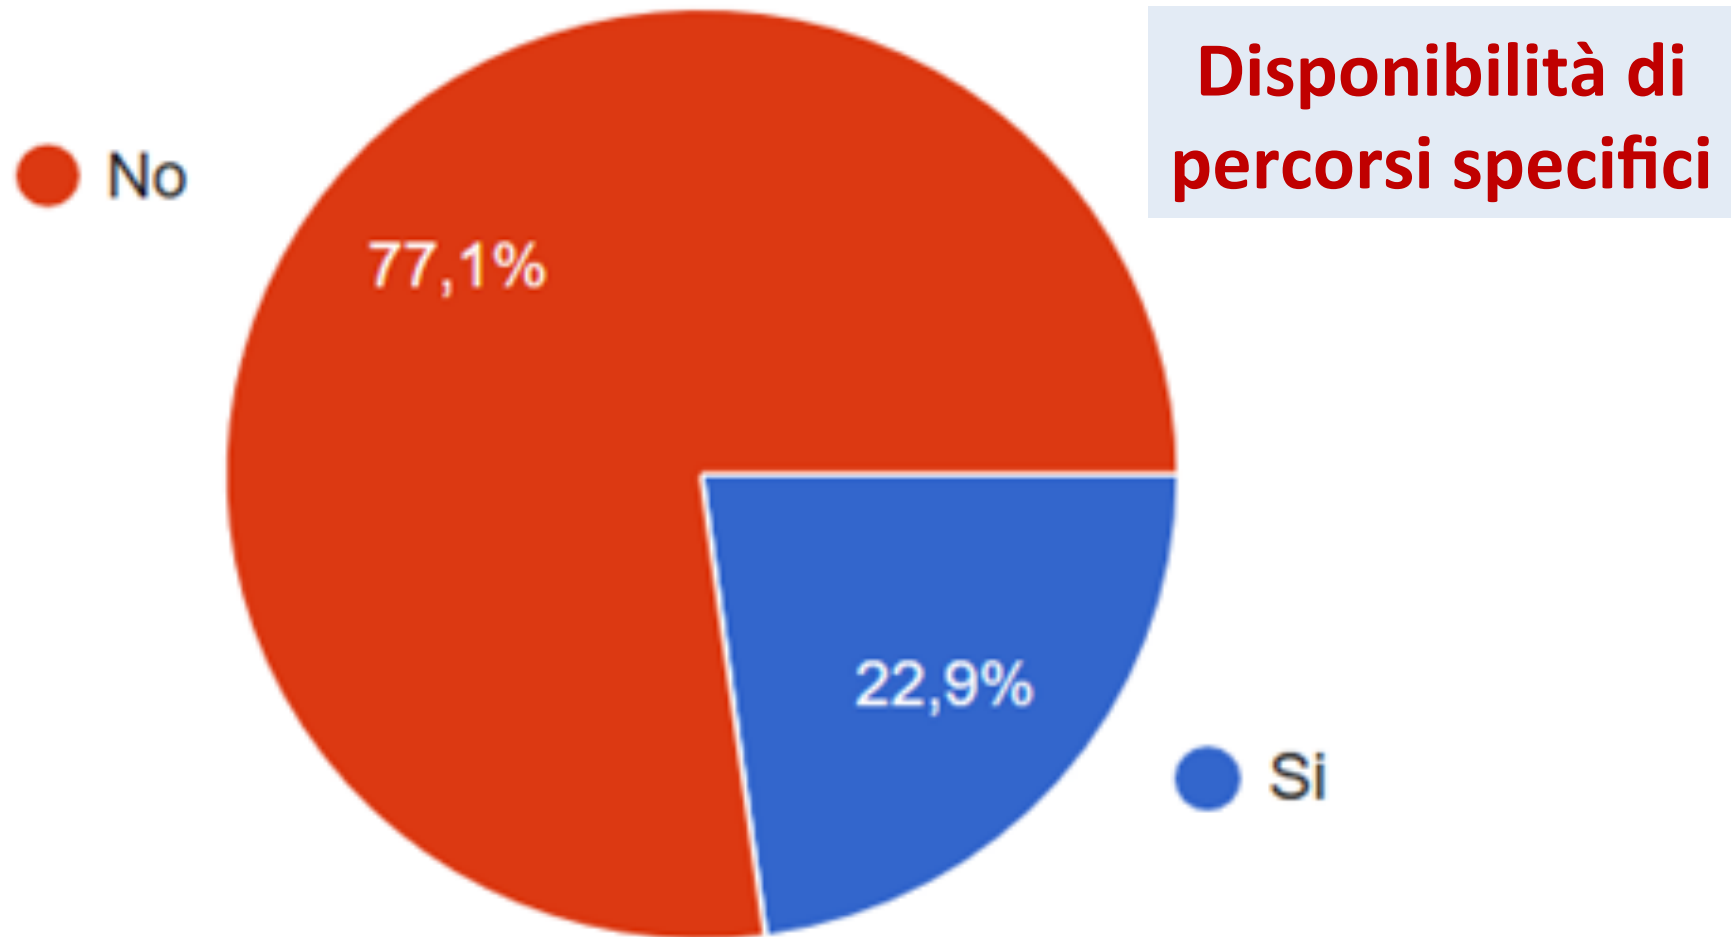

Disponibilità di documentazione

13. Nel tuo Centro esistono procedure, protocolli, SOPs per la GESTIONE INFERMIERISTICA dei pazienti affetti da SAA ?

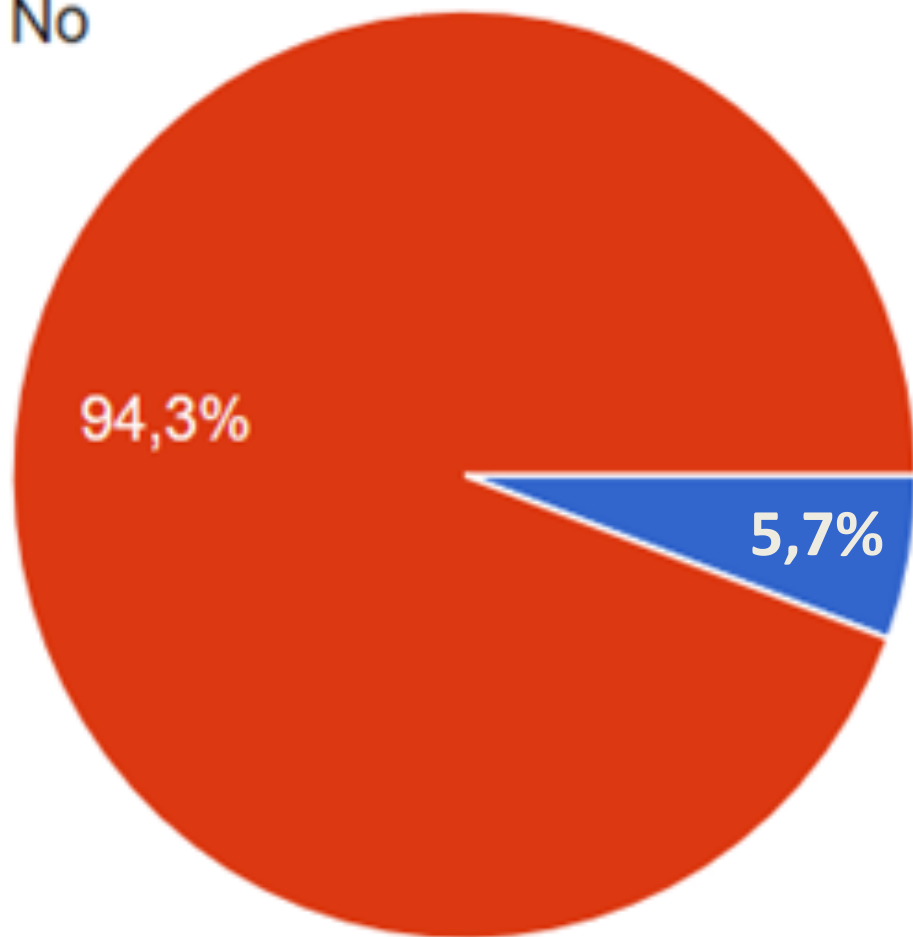

14. Nel tuo Centro, per i pazienti affetti da SAA che non necessitano di ricovero, è previsto un ambulatorio dedicato?

15. Nel tuo Centro ci sono infermieri "Dedicati" ai pazienti affetti da SAA ?
(esempio Case Manager)

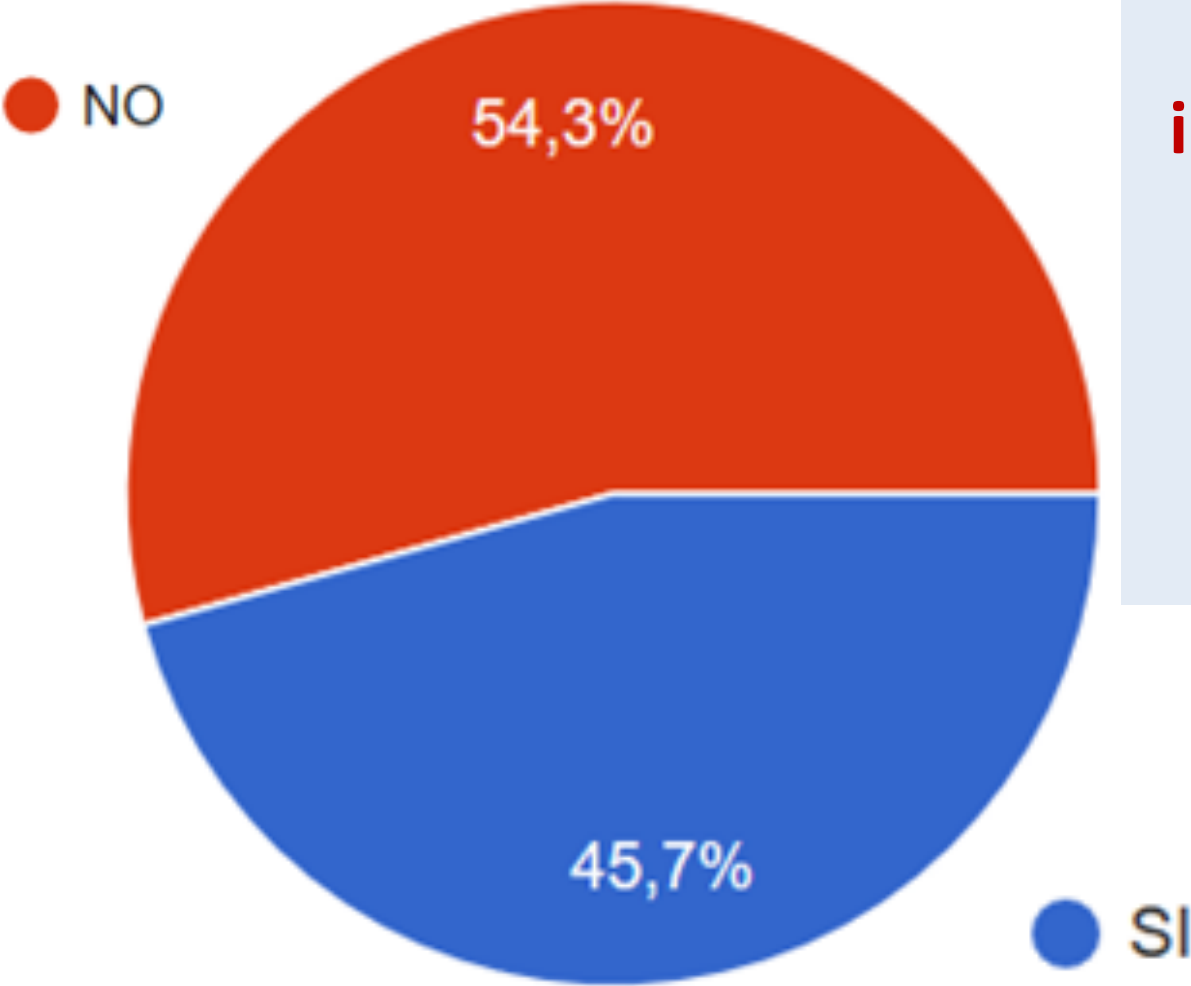

● No

**Disponibilità di
Competenze
specifiche**

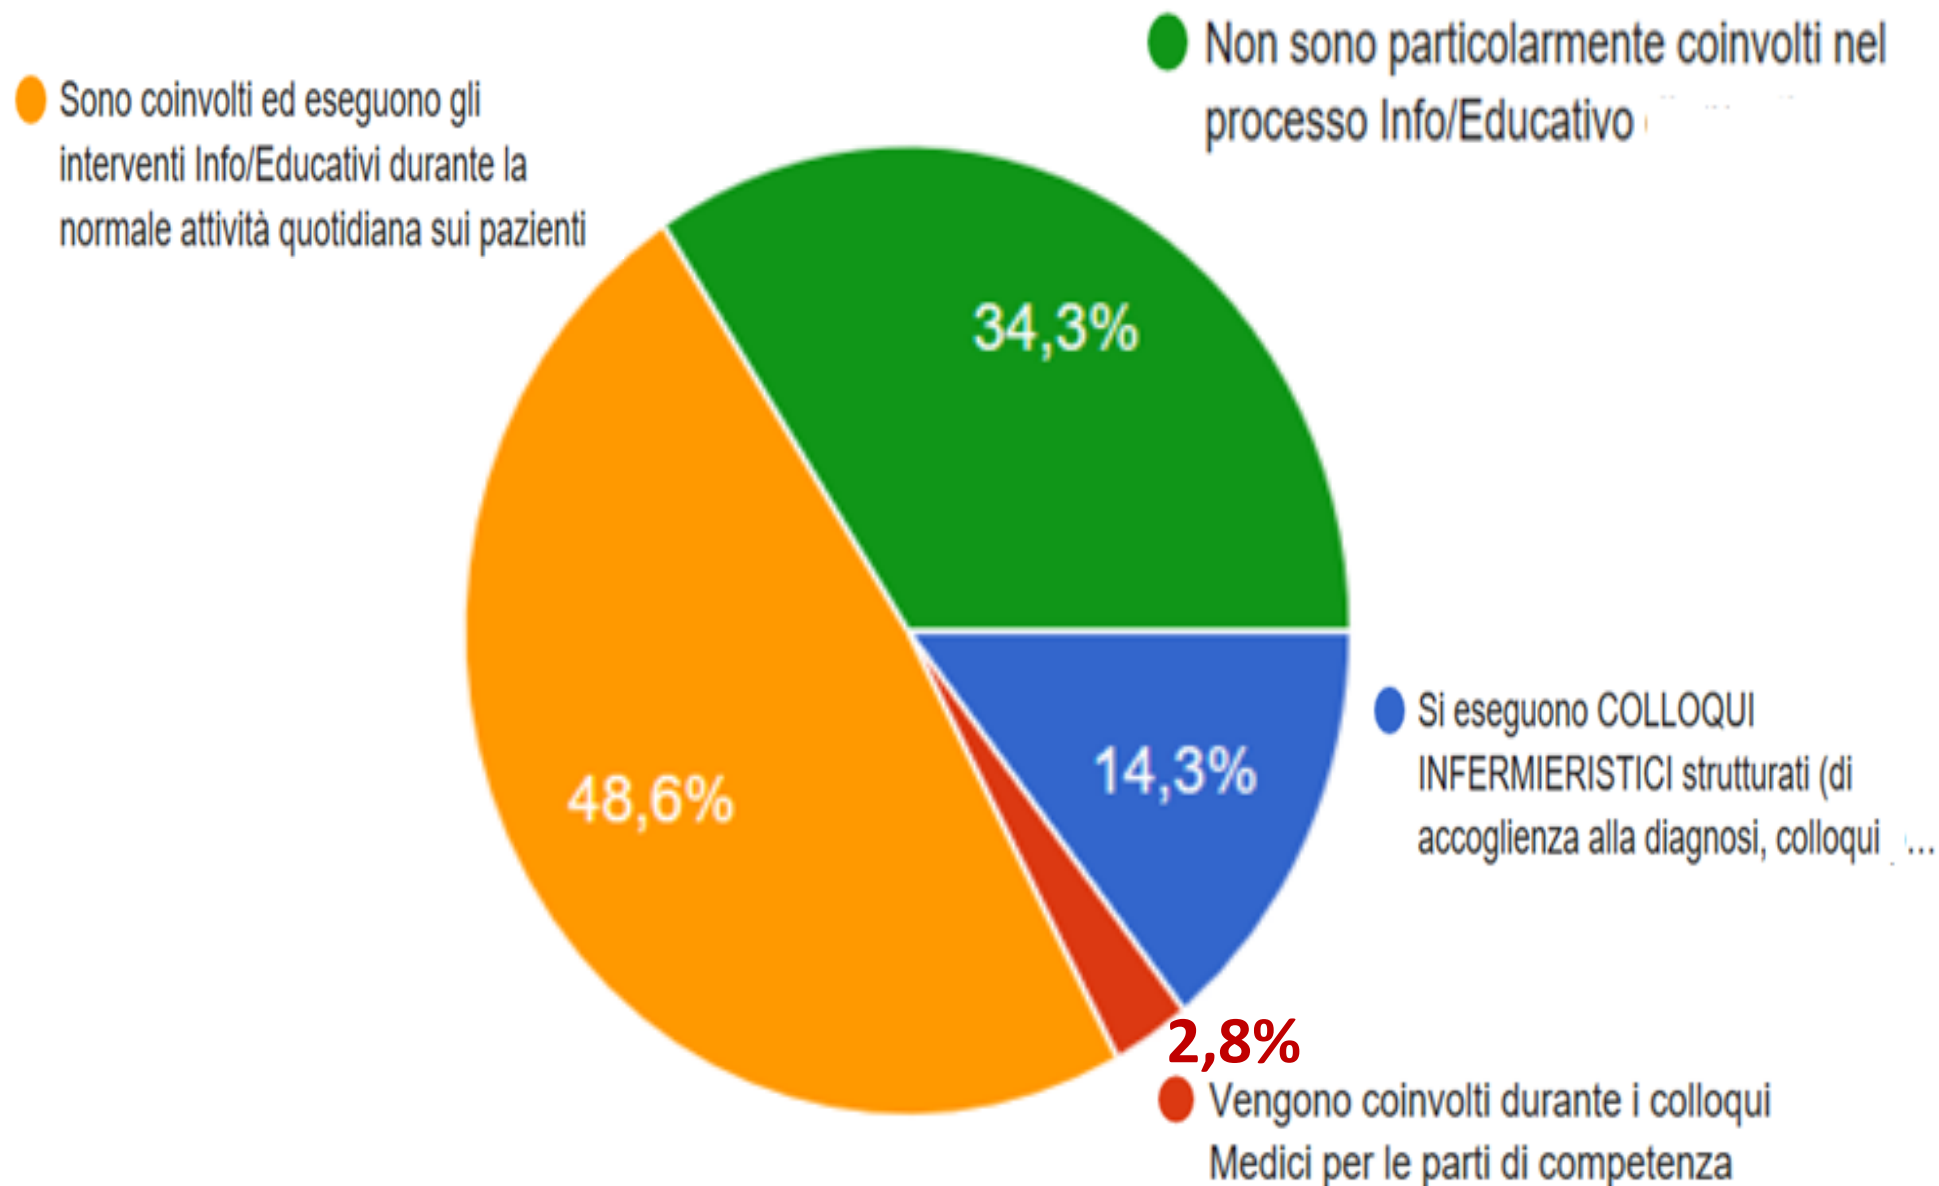

● Si

16. Nel tuo Centro, di norma, gli Infermieri sono coinvolti nel processo Info/Educativo del paziente con SAA?

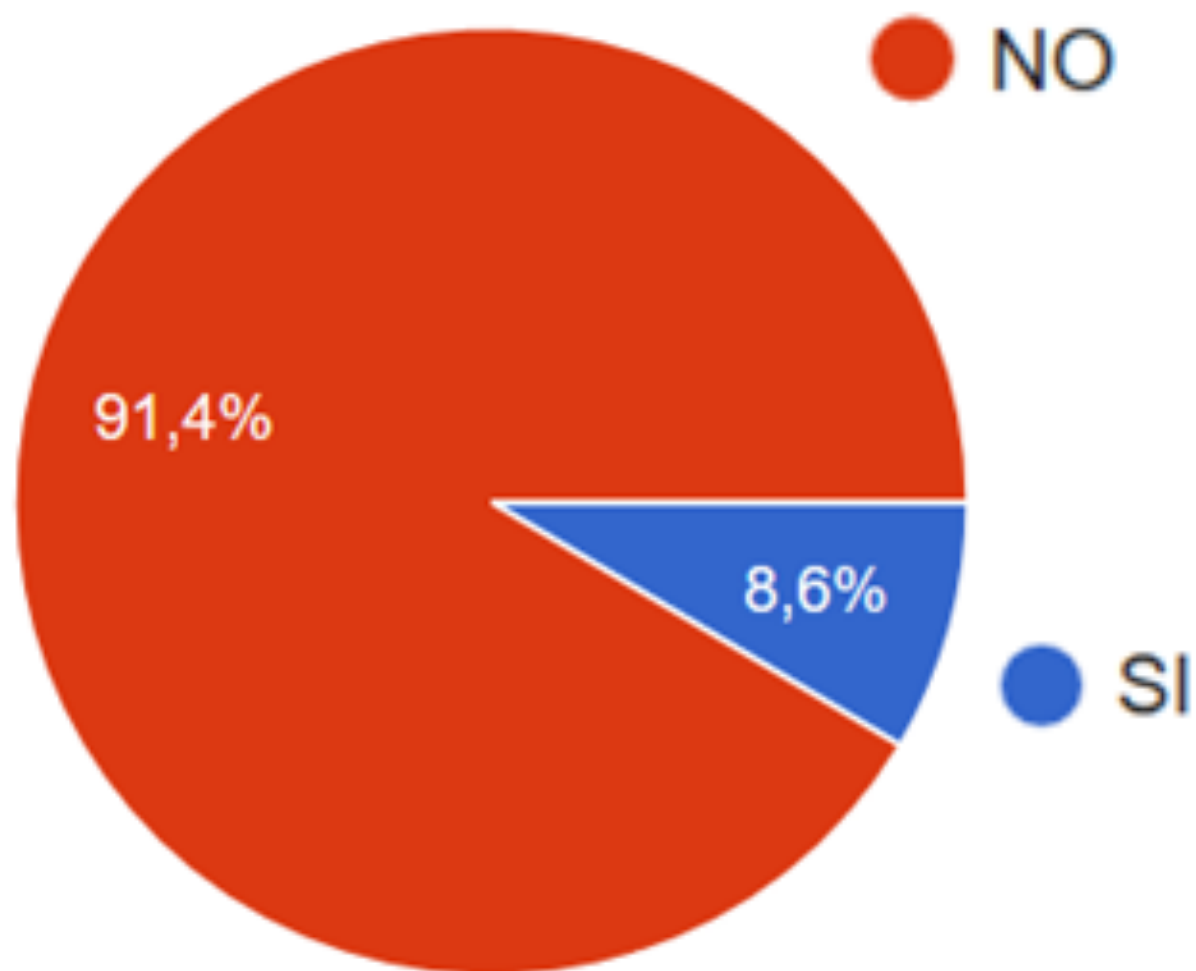

**Dai bisogni
info-educativo di
pz e care-giver
alla prassi
consolidata**

17. In che modo gli Infermieri sono principalmente coinvolti nel processo Info/Educativo?

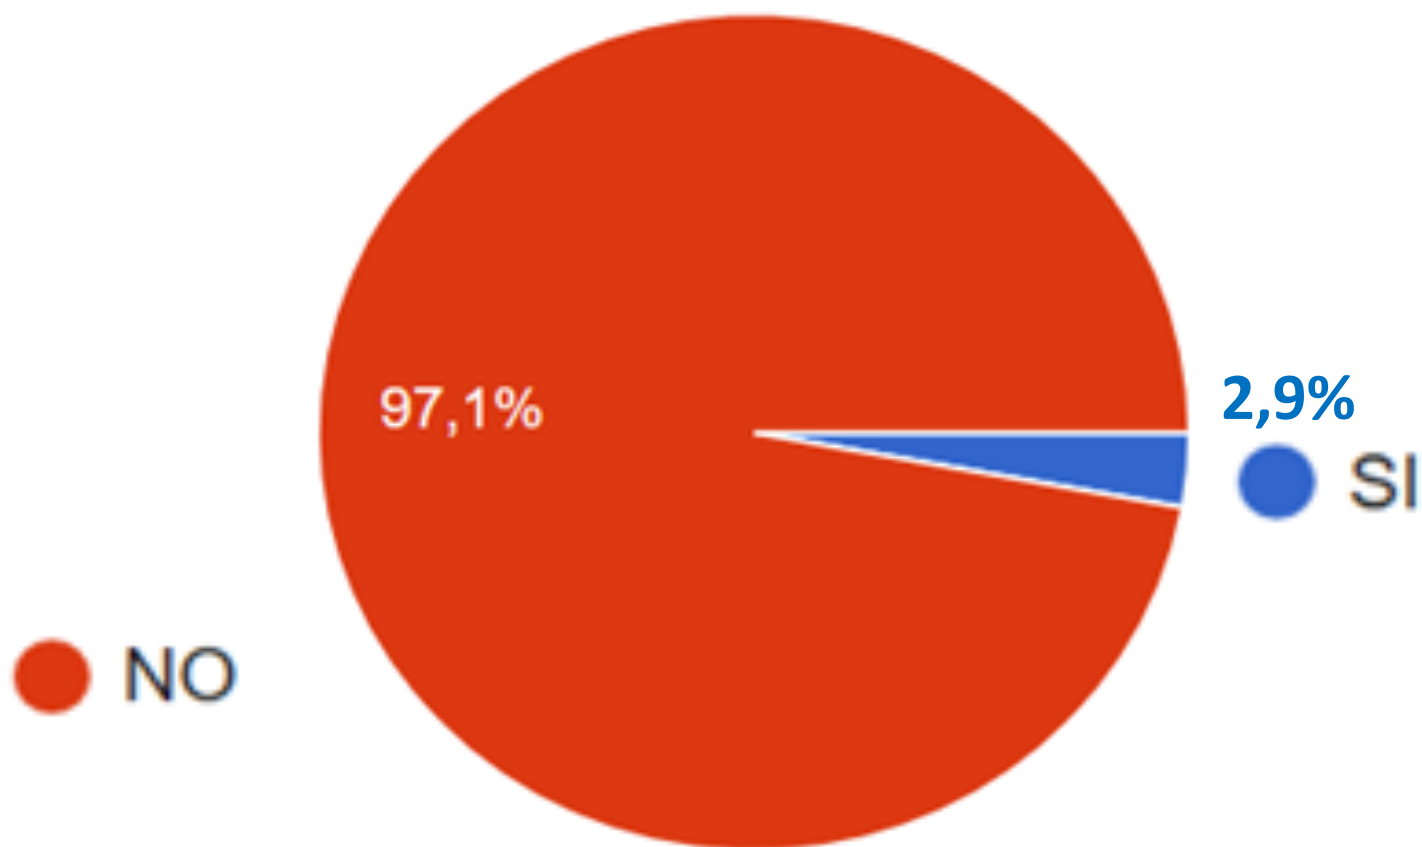

18. Nel vostro Centro, disponete di materiale Info/Educativo specifico per il paziente affetto da AA e la sua famiglia?

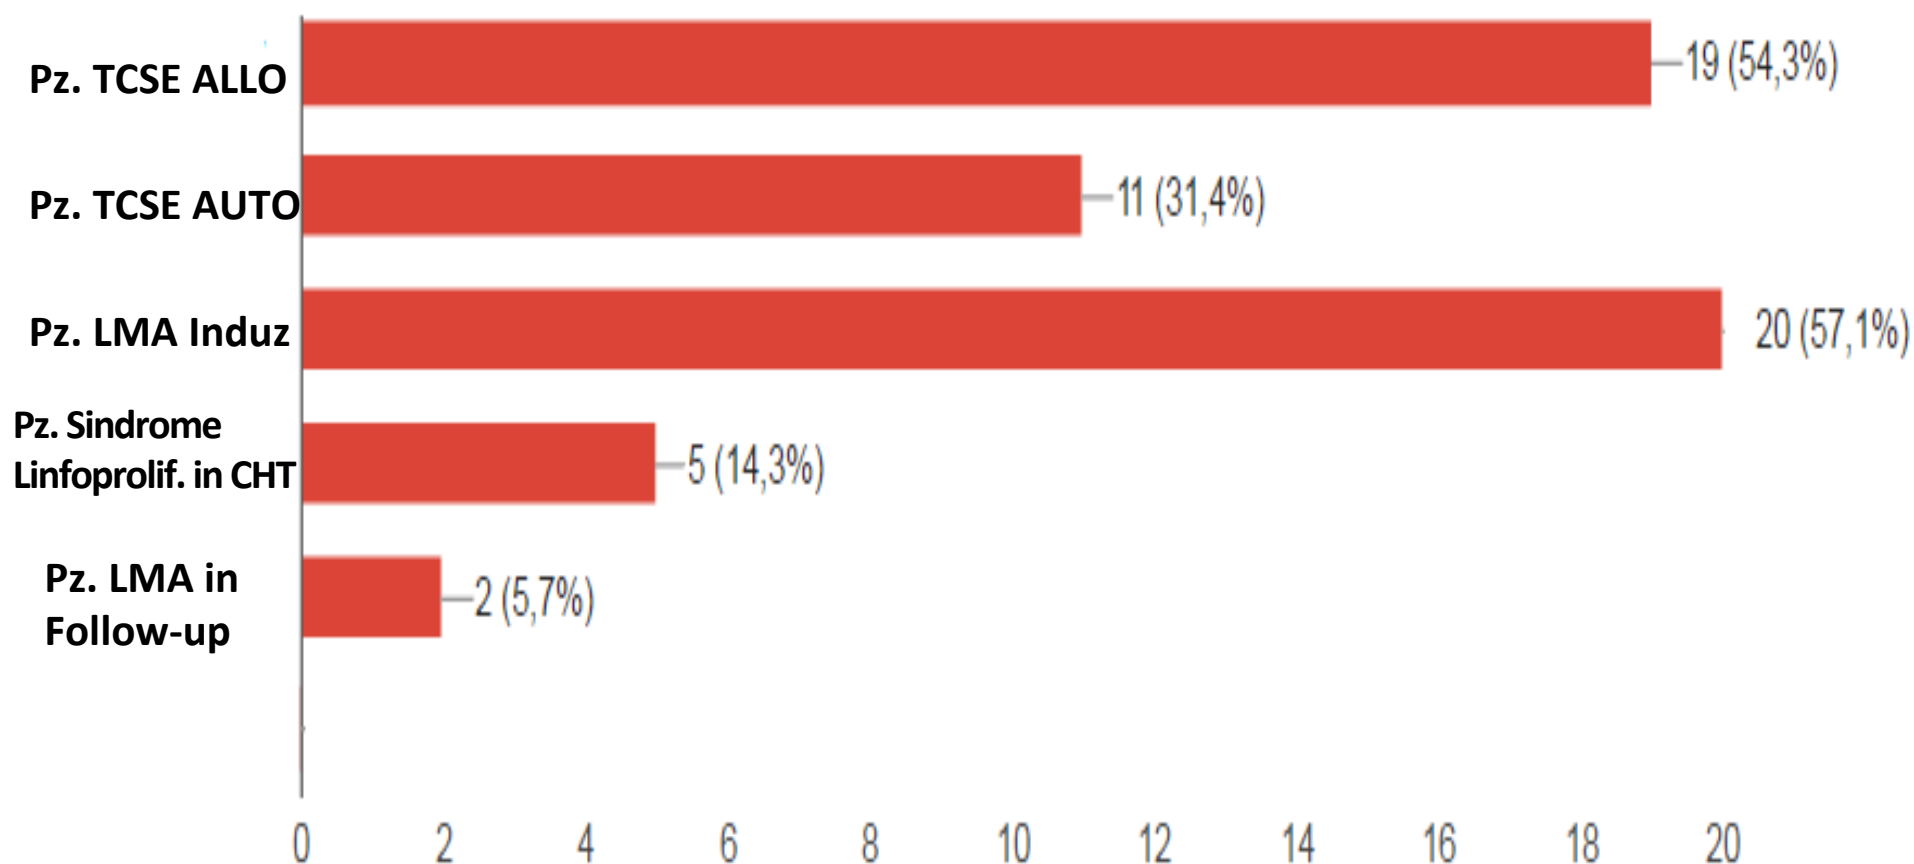

20. Negli ultimi 3 anni, gli Infermieri del vostro Centro, hanno potuto usufruire di incontri di formazione sull'assistenza al paziente con Anemia Aplastica in genere?

Expertise > formazione

24. Secondo la tua opinione, il paziente con SAA per complessità di gestione è sovrapponibile a (possibile risposta multipla)
