APL International Foundation

Purpose of the Foundation

- The advancement of health and the saving of lives by operating exclusively for health, educational and charitable purposes
- The Foundation has the sole purpose of a non-profit organisation, according to the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Act 2006.

Objectives of the Foundation

- The Foundation will support the fostering of science and research in APL as well as improving and enhancing the medical care of APL patients.
- The Foundation shall promote (but not promote exclusively) its activities and delivery operations internationally to hematologists, clinical nurse specialists, pharmacists, other HCPs, APL patients, their family, friends and carers, and APL patient advocacy groups.
- These people will be the Foundation's beneficiaries and will be provided initially with a trusted online APL resource.
